### Education

#### (BCA) Bachelor of Computer Application, JS University

2019 – 2022 | Shikohabad, India

#### (ADCA) Advance Diploma in Computer Application, SM Institute

2018 – 2019 | Sitam Saraye, India

#### Higher Secondary, Rastriya Inter College

2016 – 2018 | Maharev, Pureve., India

### Languages

- Hindi
- English
- Urdu

### Certificates

- Python

### Professional Experience

#### Data Science Intern, Learnbay

October 2023 – present | Bangluru, India

As a Data Science Intern at Learnbay in Bangalore since October 2023, I specialize in Python, machine learning, and statistics projects. Currently, I'm honing my skills in Power BI and SQL. This hands-on experience has been invaluable in developing my expertise in data analysis and machine learning within a professional environment.

### Projects

#### Society Score

2024 – 2024

Society Score: Harnessing data analytics to evaluate societal well-being and inform evidence-based decision-making for a more inclusive future

#### Zomato

2024 – 2024

Zomato Data Cleaning: Enhance data quality for improved analytics. Streamline Zomato datasets for precise insights in this data science project

#### USA Flights Analysis

2024 – 2024

Explore USA flight patterns, on-time performance, and weather impact, optimizing routes and predicting delays for efficient travel.

#### Windows AI, (Collage Project)

2022 – 2022

I optimized Medusa, a Windows AI for voice commands, through algorithm refinement and integration. (this is a basic AI)

### Skills

#### Python

NumPy, Pandas, Seaborn, Matplotlib, Sklearn

#### Machine Learning

Statics, Regression, Data Visualization, Feature Engineering
